

INNOVATIVE SOLUTIONS

ABOUT MOTUS

Motus is a physical and financial logistics solutions firm based in the Netherlands and part of the New Globe group in India. Motus helps businesses succeed in the EU market by providing them with financial solutions, warehousing, logistics, freight, distribution, trucking, and e-commerce services they need to grow and thrive.

VALUES

MEET THE DIRECTORS

ASHWIN DIDWANIA

Ashwin is an accomplished entrepreneur and logistics professional with over 30 years of experience. He serves on the board of Newglobe Group, a leading India-based logistics group that includes Newglobe Logistik and Neutral Consolidation Services. Through Motus, he has expanded physical and financial logistics solutions into Europe, helping international firms improve market speed and reach through better logistics and financial planning. In his free time, he is an avid sportsman, marathoner, meditator, and private pilot.

FREDERIQUE VAN GELDEREN DIDWANIA

Fréderique Didwania-van Gelderen is an international Structuring Advisor and Managing Director of Athos' Dutch office. With a background in finance and tax law, she has extensive experience supporting high-net-worth individuals, entrepreneurs, and corporate groups in developing and implementing international strategies for expansion, asset protection, and other goals. At Motus, she oversees financial services, enabling clients to set up and expand financial infrastructure in the European market.

SERVICES

3PL

We are an EU-based 3PL provider that offers comprehensive supply chain management services to companies across the globe. Our services include import services, warehousing, order fulfillment, transportation, & distribution. We cover a wide range of goods, including general cargo, temperature-controlled goods (food products and pharmaceuticals), and chemicals. Our network of warehouses and transportation partners allows us to provide our customers with a seamless and efficient supply chain solution.

SERVICES

TEMPERATURE-CONTROLLED SOLUTIONS FOR THE FOOD INDUSTRY

Motus is a proud member of the Easy Fresh network and specializes in temperature-controlled logistics solutions for the food industry. Our expertise spans the EU, ensuring the seamless delivery of fresh food to end consumers. We are committed to maintaining optimal conditions throughout the journey from source to table, playing a vital role in preserving quality and freshness.

SERVICES

E-COMMERCE MADE SIMPLE

We help companies establish a successful e-commerce presence across various European portals.
We provide a comprehensive range of services including registration, product placement, e-fulfillment, warehousing, trucking, drop shipping, payment gateway integration, and financial management.

SERVICES

FINANCIAL SERVICES FOR INTERNATIONAL FIRMS

We help international firms set up a European presence by providing a range of financial services, including company registration, opening bank accounts, obtaining a VAT number, local accounting, registration with e-commerce websites, and ensuring local regulatory compliance.

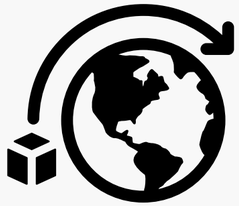

PHARMA INDUSTRY EXPERISE

DRIVING PHARMA LOGISTICS EXCELLENCE

- **Compliance:** Adhering to stringent regulatory requirements, we invest in resources and IT infrastructure for seamless supply chain operations.
- **Efficiency Focus:** Our logistics approach encompasses inventory management, shipping, and customer service, ensuring an efficient supply chain that meets industry standards and cold chain solutions.
- **Customer-Centric:** We understand the importance of up-to-date and efficient logistics processes to meet safety standards and customer satisfaction.
- **GDP Certified:** Our Pharma logistics system prioritizes secure, timely, and integrity-preserving medication transport.

ADVANCING SUSTAINABILITY

FORGING A GREENER PATH

Strategic CO2 Reduction : EV Fleet Transformation Roadmap: 25% of our fleet will be converted to EVs by 2030, and 50% by 2050.

Solar power warehouses : Harnessing solar energy to power our warehouses, contributing to sustainable and eco-friendly operations.

Digitalization: Embracing a paperless documentation system for efficient and streamlined processes, reducing environmental impact.

Driving Green Impact :

- Carpooling for Sustainability.
- Active participation in local tree plantation drives for a greener community in Mumbai-India.
- Our team joined forces for a beach clean-up at Juhu Beach, Mumbai, leaving footprints of change and fostering a cleaner environment.

creative. reliable. responsible.

The Rug Republic
The Republic of Fashionable Homes

CLIENT TESTIMONIAL

Motus played a key role in enabling The Rug Republic (formerly Sharda Exports) to establish a European presence. They handled logistics, regulatory compliance, legal processes, financial complexities, and the development of an e-commerce strategy, warehousing, and distribution services. The Rug Republic, a global leader in the rug industry with a three-decade legacy, is known for its sustainability commitment and innovative branding.

Raghav Gupta, Director of E-commerce at The Rug Republic, expressed, "Running a business in India and expanding to Europe is like landing on Mars. Thankfully, Motus was with us every step of the way... prompt, efficient, and a vital ally in our journey."

-Raghav Gupta, Director of E-commerce The Rug Republic
